

TV AND MONITOR WALL MOUNT UP TO VESA 800 X 600

FOR HEAVY MONITORS AND TOUCH SCREEN DISPLAYS

PRODUCT

The stable Conen Mounts TV & monitor wall mount allows the installation of a TV or monitor on solid masonry. In the base plate, which is mounted on the wall, you can snap-in the two mounting brackets, which are previously mounted on the touch screen display. By means of adjusting screws you can align the touch screen display after mounting in the horizontal. It is possible to lock the display after hanging it up with a padlock.

FEATURES

- › TV & Monitor wall mount for holding all 42 - 100 "displays with a maximum VESA 800 x 600
- › For touch screen displays higher VESA 800 x 600, a larger version is available on request
- › Quick release securing clips for easy on and off of the screen
