

TV AND MONITOR WALL MOUNT UP TO VESA 800 X 600

FOR HEAVY MONITORS AND TOUCH SCREEN DISPLAYS

PRODUCT

The particularly solid TV & monitor wall mount WM-Frame, part of our popular Conen Mounts range, allows the installation of a TV or monitor on solid masonry walls. Two mounting rails, are mounted on the touchscreen display and then hooked into the base plate, which is mounted on the wall, using an easy to use snap lock. Following installation, horizontal alignment of the screen can easily be achieved by adjusting screws. The WM-Frame enables locking the display with a padlock.

FEATURES

- TV & Monitor wall mount for holding all 42 - 100 "displays with a maximum VESA 800 x 600
- For touch screen displays larger than VESA 800 x 600, a larger version is available on request
- Quick release securing clips for easy on and off of the screen
